## Liebes Deutschland

This is a direct translation from Aramaic into English of the Lord's Prayer:

Oh cosmic birther of all radiance and vibration soften the ground of our being and carve out a space within us where your presence can abide.

Fill us with your creativity so that we may be empowered to bear the fruit of your mission.

Let each of our actions bear fruit in accordance with your desire.

Endow us with the wisdom to produce and share what each being needs to grow and flourish.

Untie the tangled threads of destiny that binds us as we release others from the entanglement of past mistakes.

Do not let us be seduced by that which would divert us from our true purpose but illuminate the opportunities of the present moment

For you are the ground and the fruitful vision, the birth power and fulfillment as all is gathered and made whole once again.

Amen

Very feminine, isn't it? Much more palatable than the overly masculine version that the church has infused with its measure of guilt and forgiveness of sins.

The time is coming where everything is going to return to what I can only describe as "The Great Softness". Even that terminology itself will have

most of the men quivering in their jocks. Disappointing the full on "my house, my job, my car, my penis" drive that is so prevalent now. And what about the women who walk from the hips "my designer label, my make-up, my hair, my vagina"? They too might as well be growing beards and proclaiming domination over several countries.

The time is coming for the entrance of the true divine feminine, both in men and women. It is so

far beyond the pettiness of sexuality that we see now. Even the gay community has lost the plot, being now no better in their protests than the average straight person lobbying for peace around the globe. Their “protests” are inciting more fear and oppression, a return to the dark ages, gay marriage being outlawed, etc. I mean really, it sounds suspiciously like Salem doesn’t it? “Burn her or him. He weighs more than a duck, therefore he must be a witch. Can’t breathe underwater? Must be a witch. Holds hands with person of same sex? Definitely a witch.”

The beginning of the true Goddess power coming in will be a great leveller. It is justice on a global scale. True justice. Where people like George Bush will have to account for being a liar and a thief and a dictator alongside Saddam, not apart from him. It’s happening so fast now. Everything is coming to the forefront to be exposed and destroyed, with an internal judgement that is unavoidable.

Look at what has just happened with America – you know – the saviour of the world. The American military “freedom fighters” have just been found out to be sick, disgusting, sexual perverts, intent on destroying a race of people. Let’s take a whole race of people, imprison them and then expose their genitalia to the world, just to show how good we are! Sound familiar. You got it. It happened in World War II.

I think that what we are seeing now is in some sick, covered up, demonic kind of way the revenge of those who believe they were so wrongly done by, and yet even that is not a truth. What happened in Nazi Germany is by no means a Jewish concern—far from it. Polish, Danish and mostly German people suffered enormously. The injustice is that Germany is still paying for it after a million ‘I am so sorry’s’. Now it’s happening all over again. And it’s not coming from Germany—what a coincidence!

All of this is the exposition of the dark unto itself and this is the beginning of the arrival of true justice. Nothing in the world is going to get America out of this one. There is no way out. We cannot deny this is happening.

I arrived in Germany two days ago, to see the images of naked Iraqi “prisoners” lying on top of one another – front page headline news. It’s BIG news here – understandably so. They have seen it before and are still being blamed for it. Maybe it’s America’s turn to own some of the blackness that Germany has coped with. Germany, in the midst of it all, has managed to rise up inside of itself and destroy the Berlin wall, only to see it now re-establishing itself around Israel. Makes you wonder doesn’t it, where did this all start originally. Read the Spear of Destiny by Trevor Ravenscroft – very interesting material.

I have been talking for so long about the exposition of the dark and what would happen when it did. The events going on in our world right now are a definite sign instigating exactly what I have said. Get ready to breathe big time, cause this is only the beginning of what we are going to have to look at as the global shadow exposes itself for all to see.

Thank God we started working on our own dark early, lest we have to go through our own personal hell at the same time. Or were you only reading the lovely articles and looking at the pretty pictures thinking that it wasn’t going to happen? Or you could leave it until the last minute and then go inside? Many people are now starting to collapse. Things are falling apart in their own lives. Start destroying your own dark now, and in doing so understand the power of it.

How can you be “love” if you do not understand the meaning of it? You think that reaching out and hugging the American assholes who tortured those people and then sold the photos to the media is

going to work? I don't think so. Think Mother Love. Do you think that a mother would condone this behaviour? No. Slap, Slap, stop that behaviour – disgusting – awful. That's the Dark Love. Not reaching out and "forgiving" those people. Forgiveness implies finding a place inside of yourself that can condone someone's behaviour. Destroy their tendency to do it, the very seed of hatred that can take another human being and degrade them so completely. See why you need the dark on your side? Without it, we will just be uselessly praying for those American soldiers, and in a way giving them permission to do the same thing all over again. IT IS NOT OK! We DO NOT give permission.

Neither is it OK for people to not love one another as they choose. It is NOT OK that I have to buy a bus ticket for my bicycle. It is not OK that the planet is ignoring it. It is not OK that we have become a race of male-dominated people (men and women) who believe that the feminine is roses, chocolates and breakfast in bed on Mother's Day.

Go inside of yourself now and face your own inner tormentor. Destroy the daily torture you put yourself through.

There's no way out –  
She is coming  
She is beyond our wildest dreams  
She is inside of you  
She is the right to choose  
She is loving She  
She is in all of us  
She is returning  
She is coming home.

With Love,  
JC
